***** If your department doesn't have enough people for a full team, we would be happy to combine you with another department so you can join the fun as this worked out well last year.**

Last year's tournament was successful, Thanks to the 10 teams that attended. We would like to give preference and welcome you back first before inviting other departments. If you are interested in entering your team again this year please let us know by February 15th, 2020

After that date we will be extending an invitation to all other departments at which time entrance will be on a first come, first serve basis. We look forward to your response and sincerely hope to have you back again this year.
