## JUNIOR FIRE DEPARTMENT MUTUAL AID TRAINING

---

Dear Chief:

On May 28 2022, Lunenburg and District Fire Department in cooperation with other local Fire Departments will be hosting the Junior Mutual Aid training weekend for all Junior Firefighters in Lunenburg County, Queens County, and the Municipality of Chester. Training will be held at the Lunenburg Fire Department Starr St. Training ground from 8:00am-5:00pm.

The weekend will consist of 1 full day of training where juniors will be broken off into smaller groups and rotate through different training sessions. At the end of the day the group will combine as one to debrief on the day's events.

Lunch will be provided, should any junior members have allergies please let us know. Due to the type of training we will be doing you will find attached a permission slip that must be signed by a parent or guardian of ALL juniors that want to attend. Also, please note that PPE is required by each junior that will be participating. We ask that you fully inspect your juniors PPE and try and outfit with all necessary equipment (gloves, boots, helmets etc.) In addition if you can outfit with BA and face mask for any juniors wishing to partake in Live Fire would be very helpful.

There is a cost of \$20 per junior to participate which will be billed directly to your department after the event.

This training is for Juniors only, if your fire department has juniors that would like to participate in this training weekend or if you would like to help with any part of the training please contact us by **April 30<sup>h</sup> 2022**.

Yours in firefighting,

Lunenburg Junior Weekend Committee
